The Height of Folly

To wait until you are in bed with disease you may not get over for menths, is the height of folly, when you might be easily cured during the early symptoms by Parker's Ginger Tonic. We have known sickly families made the healthiest, by a timely use of this pure medicine. - Observer.

Preaching by Dr. Ford. Rev. J. B. Ford, D. D., of the M. E. Church, preached two excellent sermons, to good congregations, at the First M. E. Charch, Sunday, morning and night. His theme in the forenoon was "The Christian Religion," and at night, "Christianity vs. Infidelity, or the Mistakes of Bob Ingersoll." This was a pulpit effort of marked ability, and the eloquent and forcible speaker made a strong, convincing and unanswerable defense of the Christian religion, against all the shafts and assaults of its revilers and defamers He commanded the closest attention in both
